

# Ballycanew Newsletter January 2022

# Ballycanew Community Resource Centre

## POST COVID:

The Development Association have been working very hard in the background over the past two years, applying for Grants and putting together services to enhance the services offered to our community. We are delighted to Announce that over the coming Months we are delighted to bring new services to the area for the benefit of the community.

## ACTIVE RETIREMENT FEBRUARY 2022 FRIDAY MORNINGS:

- Bingo
- Bowls
- Computer classes
- Talks
- The odd lunch out
- The odd day trips
- Old movies
- Woodworking machines

- 3d printing
- Gardening club

This service will be provided free of charge. We are delighted to provide this service to our community and hope to see you all in the next few weeks

## FAB LAB:

Coming this year to Ballycanew Resource center FAB LAB The Fab Labs can support policy initiatives in the areas of education, enterprise, training and the development of community based social enterprises. This initiative will benefit children and Adults and promote stem education and promote social enterprises for the area  
The lab will consist of

- 3d printers,
- laser cutters
- Laser engravers
- CNC machine
- working with wood metal glass and fabric

All Adobe Products to include:

- Character Animation
- Photoshop
- InDesign
- Movie Making
- Green Screen

This is only possible with funding from the ESB Energy fund Ireland and it was a great privilege to be accepted for this award

## SHORT MAT BOWLS:

We are delighted to announced that thanks to funding from the Irelands Fund we are able to add another mat. This will allow more players and families to book the center for a game  
Contact Aislinn 087-2127614 for bookings
